

Central United Methodist Church
Winter Weather Policy

Sundays

- Decisions about worship cancellation will be made by Mary, Luke, and Hayes.
- Notification of cancellation will be shared via News 13, the church website, Facebook, and Instagram.
- The preferred decision is to cancel 8:45am worship and Sunday School if necessary – but be open for 10:55am worship if at all possible.
- Children and Youth programming will be cancelled only if the 10:55 service is cancelled.
- All staff, volunteers, and congregants should honor the road conditions at their own homes. Do not come in if your neighborhood roads are dangerous.

Weekdays and Saturdays

- If Asheville City Schools are closed, the church offices are “closed” – meaning, a receptionist will not be answering the door and phones for drop-in visits. As a result, groups with plans to meet that day will also be cancelled. This includes Wesley Singers, Bells, and Brass.
- Chancel Choir makes decisions about weather independent of ACS. Communications will be sent out from Linda or Corey by 12pm on Wednesday if they need to cancel.
- Staff are empowered to work from home whenever necessary, depending on road conditions near their homes.
